**Dear fellow coaches,**

The Organizing Committee of the Acropolis International Wushu Open Tournament & Kickboxing Golden Cup would like to express its sincere gratitude for your trust, recognition, and continuous support over the years.

Your contribution has been pivotal to the development and success of our event, which has now become one of the most significant international sporting events in its field.

From the first “Acropolis” in 2018, which welcomed 960 athletes from 15 countries and 96 teams, up to the fifth “Acropolis” in 2025, the event has experienced remarkable growth.

In 2019 we hosted over 1,000 athletes from 18 countries and 102 teams, in 2023 we exceeded 1,100 athletes from 19 countries and 108 teams, and in 2024, at “Acropolis – Forbidden City”, more than 1,300 athletes participated, registering 2,200 entries from 20 countries and 122 teams.

At the 5th Acropolis International Wushu Open – Kickboxing Golden Cup, held on March 1–2, 2025, a new record was set with 1,360 athletes, 2,270 entries, from 22 countries and 126 teams. It is worth noting that these results were achieved despite adverse conditions due to the largest strike in Greece, which resulted in the cancellation of all flights to Athens and the non-participation of 19 teams (approximately 250 athletes) from abroad.

For the 6th ACROPOLIS International Wushu Open Tournament & Kickboxing Golden Cup, the Organizing Committee is already working intensively to ensure everything is prepared at the highest possible level — aiming for an even more successful, safe, and flawless event.

So far, athletes and teams from the following countries have registered:

Macau, India, Dominican Republic, Mexico, Brazil, United States of America, Spain, Italy, Malta, France, England, Switzerland, Ukraine, Czech Republic, Hungary, Croatia, Cyprus, Armenia, Turkey, Norway, Bosnia–Herzegovina, Romania, Bulgaria, Latvia, Lebanon, Israel, Azerbaijan, Belgium, Netherlands, China, Uzbekistan, Greece.

*With great pleasure and honor, we look forward to welcoming you in March, for another celebration of sport, friendship, and mutual respect.*

*We sincerely wish you excellent preparation and outstanding competitive results!*

## VISIT ATHENS

The most famous Athenian neighborhood of Plaka is definitely a top attraction for visitors. Its picturesque streets, historic landmarks and lively shops make it a must-see. Just be prepared for the crowds.

- **Acropolis**

What a difference a decade makes. The arrival of the landmark Acropolis Museum and the pedestrian walkway linking the city's ancient monuments has seen this historic neighborhood emerge as one of Athens' most fashionable postcodes.

- **Monastiraki/Psirri**

Layers of history intersect at the city's hub of commerce and craftsmanship.

- **Historic Center**

The heart of modern Greece beats in the historic center of Athens — but contrary to what you'd think, it has little to do with ancient ruins.

Just beyond the stunning promenade ringing the Acropolis, these two neighborhoods offer an intriguing mix of classical splendor, cafe culture, and community spirit.

- **Gazi/Keramikos**

**ATHENS - GREECE**

No other neighborhood in Athens has seen such sweeping changes in recent years. But this grungy district of edgy galleries, hip bars, and ancient wonders is still on the cusp of gentrification.

- **Kolonaki**

Behind the glamour of high heels, high-end boutiques, and sun-glassed locals sipping on iced coffees, Kolonaki is no stranger to history and culture.
